

# STUDENTIDROTTSFORUM 2023

**WELCOME TO THIS YEAR'S STUDENTIDROTTSFORUM  
NOVEMBER 3-5 IN GOTHENBURG**

**We would like to invite you and the board of your association to the largest event for university sports boards in Sweden! It's an opportunity to meet other associations and to participate in the Grand University Sports Gala of the year! But that's not all - you also have the chance to nominate candidates for this year's awards, which will be presented during the evening!**

The weekend offers everything from workshops and lectures to networking opportunities and fun activities. The event is open to all board members within university sports. This is the federations way of giving back to our member associations for the fantastic work being done for Swedish university sports! Please remember that SAIF covers both travel and accommodation expenses upon presentation of receipts.

So, what are you waiting for? Mark November 3-5 in your calendar today and plan the weekend with the entire board!

Location: Quality Hotel The Weaver in Gothenburg

**Registration opens on August 14th.**

***If your association wants to be involved or contribute to the gala evening, contact [therese.wahlstrom@saif.se](mailto:therese.wahlstrom@saif.se)***

# STUDENTIDROTTS- *Gala*

**The Studentidrottsgala on Saturday evening is the highlight of the year within Swedish university sports. It is a formal dinner where a 3-course meal is served, along with entertainment and, most importantly, the Grand Awards Ceremony!**

Is there someone in your association who has gone the extra mile or captured those wonderful moments on film? Did you dare to think outside the box and try something new this year? Perhaps it is your association that has done a significant transformation and worked exceptionally hard for the development of your association? Each award is rewarded with prize money that goes directly to your association.

**Do not hesitate to submit your nomination today!**

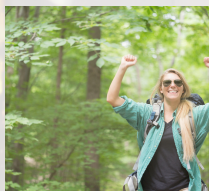

For more information on how to nominate, please visit the federation's website or click on [this link](#). If you have any questions, contact [Adam.stigborn@saif.se](mailto:Adam.stigborn@saif.se).
